22 Feb 2563 B.C. I'm going to buy used copies of Need for Speed  $\hat{\epsilon}$  $\hat{\epsilon}$  Underground 2, Most Wanted and Carbon. I'm wondering if I can redeem the CD keys. I want to know that this is legal and that it is not illegal in the US. I read about it and that it's legal in France. This is true? I am only 18 and would like to use them if allowed. Please don't reply to me or quote from Digital Millennium Copyright Act or similar. It means nothing to me and I don't know what these laws mean. I would like to ask this question because I think it is possible and I hope it is.
